Head of School: Helen Robinson

September 2018

Dear parents and carers,

We pride ourselves on the number of enrichment opportunities we offer our children, both in and outside of the school premises. Visits to museums, galleries and nature reserves amongst other places, alongside visiting artists, theatre groups and musicians are a crucial part of making learning come alive for our children.

This year, the contribution cost for trips and enrichment opportunities is £30. This cost is inclusive of trips off site, as well as many amazing workshops and speakers that come into school to work with our children. Without the ongoing financial support from parents, we would not be able to provide these fantastic opportunities that give children engaging experiences to support their learning in the classroom.

We kindly ask that payments are made at the start of each term (£5) or if you would prefer you can pay the full amount at the start of the year. Payments can be made through the online Agora system. If you need support with this, please speak to the office.

Yours truly,

Chloe Marriott
Assistant Headteacher
